Wealthy Music Man Sparks Drive Against Eye Disease

By DELOS SMITH

UPI Staff Writer

NEW YORK (UPI) — This man who in his youth worked hard to become a scientist but got diverted and became a multimilitionaire, has given up something precious in order to let you interest is to prevent blindness know the cause of a lone-felt nair. know the cause of a long-felt pain, and this it will do by picking its
He is pained by your passion spots, as it were, rather than with
for eye-wash. Think of it! Ameri- "crash programs." for eye-wash. Think of it! Ameri-cans spend 6 million dollars a The spots it has in mind are year for boric acid solutions in these. Eye science is kipped over

is this contrast which pains Jules jects can't find the money for C. Stein and for that reason he needed instruments and help. is permitting you to know him.

He is giving up his carefully guarded obscurity to far as the 42 Seniors public is concerned because if enough people get interested blindness will never befall a high percentage of the millions who are born blind or go blind.

At EOC Will Teo

Even in his own world, where he is a powerful figure, he is ob-scure since 'as he told this reporter) he dreads the limelight. But he is the founder, the principal owner, and the boss of the Music Corpo ation of America and its 30 wholly owned subsidiaries which play a dominant role in the entertainment industry, particular positions in California, one each in Washington and Ida-

"This thing" is research to Prevent Blindness, Inc. He has cre-ated it in the last few months, enlisting the help of such wellknown philanthropists as Mrs. Albert D. Lasker, James S. Adams, the Wall Street Banker,
