

### EXECUTIVE COMMITTEE FOR STATE REPUBLICANS

Kern Crandall, Oregon Republican chairman, Wednesday named the following state wide executive committee. C. F. Bollinger, Clatsknine; Roy Kilpatrick, Canyon City; C. M. Kennedy, Gateway; N. R. Allen, Grants Pass; Arthur Priaulx, Chiloquin; Grant Murphy, Stayton; E. J. Bayliss, Sheridan; Mrs. Dona Waddell, Roseburg.

### WHAT DID WE DO THEN?

Back a few years, only a few; when the whipstock was better than the gear-shift, back before daughters were bar flies and when women were fully dressed, back in the Sweet Caporal days, when the sewing society called a special indignation meeting over the young man who sneaked in the side tent to see Little Egypt in the hoochey-koochie; back when Nellie Bly broke the round the world speed record in 80 days, back when a Neon sign was impossible and mother was lucky to get a piece of ice once a week for the old ice box. Only yesterday, it seems, when our horses "ran away" at the sight of a Model T. But what we started out to say was, What did we do evenings before the radio was a reality?—Aurora Observer.

Business affords many more opportunities for young people than all of the professions combined. Why not, then, prepare for a position in business at the Capital Business College, Salem.

time and was the only one of the four to escape serious injury. The other two lads were taken to Vancouver.

Two cars left camp with the boys who were coming out to spend the week-end. They were traveling some distance apart on account of the dusty road, stopping at intervals to contact one another and it was while waiting for a reasonable time and the second car not showing up that the search was started. A coat at the side of the road marked where the car had left the highway.

It took several hours to get the injured boys back up to the highway and start the trip to the hospital.

Bob was a patient at the hospital for almost 36 hours before his parents were notified. Besides the skull fracture and back injury he has many body bruises. It required nine stitches to close the wound on the back of his head. As soon as he can be moved he will be taken to the hospital at Vancouver.

### CANDIDATE HOLDS "ROADSIDE CHATS"

Instead of "fireside chats," Charles A. Sprague, republican candidate for governor, is holding "roadside chats" during the summer months. Here he is shown visiting with C. M. Wessert, Lane county farmer, whom he found in his dairy barn. Sprague is taking his campaign to the "grass-roots", meeting with voters in all walks of life, and doing more listening than speech-making at this stage of the campaign. He expects to visit all parts of the state during the summer, prior to opening the fall campaign.

## NEW RECIPES DEMONSTRATED

### At World's Poultry Congress

Demonstrations and lectures on how to best use poultry products successfully in the diet will be stressed at The World's Poultry Congress, Cleveland, July 28 to August 7, 1939. Although it may be news to some people, the egg is almost a perfect food. How to use it best will be carefully brought out. The proper preparation and serving of poultry meats of all kinds will be another feature of the Congress program. Everyone who attends will have the opportunity to secure new recipes and will see these recipes demonstrated. There will be something for everyone at the Congress including the housewife.
