LEADERS

All kinds of engraving done at H. C. Madsen's.

Frank Jordan went to Grants Pass on Friday.

Tom Meaden, of Drain was in the city the first of the week.

Mrs. Orville Knapp is spending a few days in Eugene with her sister.

Rev. Billington is assisting in the revival meetings now being held at Drain.

Yesterday was St. Patrick's day and it was generally observed by many who wore the green of old Ireland.

A pair of mountain sheep horns will decorate the store of R. W. Veatch, which he procured in Eugene last Saturday from Prof. Condon.

The dwelling house that Frank Jordan recently purchased from Oliver Veatch he has moved to his property south of the school house.

A glance at the list of born will show that Cottage Grove is not depending entirely upon the outside world for its increase in population.

Drain is agitating the question of celebrating the glorious Fourth of July this year in a rip-roaring style as the Drain Nonpartei expresses it.

The children of John Branton desire to state they have two rooms for rent, also that they have milk for sale and would like to have the people patronize them.

Threshing has commenced in the wheat section of Oregon. The stockmen are threshing their wheat hay that was cut last year for feed. It will average from 10 to 15 bushels to the ton.

Mrs. A. McKinney entertained sixteen of the seniors and juniors of the Cottage Grove high school at her home Wednesday evening. Chocolate and fudge was served and all reported a very pleasant time.

It now looks as if Register J. T. Bridges and Receiver J. H. Booth of the Roseburg land office who have been suspended for several months, will be permanently removed and Senator Fulton will name their successors.

California is the land of rain now. The southern part of the state is badly demoralized from washouts and floods. The coast line of the Southern Pacific out of Los Angeles is buried under tons of sand and gravel.

The ideal millinery which is now being opened up in the Allen building on Main street by Miss Ida Francis Barret of Portland, permanently located here, extends a cordial invitation to the public to come in and see an entire, new and up-to-date stock.

Glendale must be a good town, as the preacher has left town and the marshal has resigned. The Portland Telegram very pertinently says: "That a town where neither preacher or marshal is necessary, must be heaven on earth, else dead as a graveyard."

The report comes from London, England, that apples from Oregon brings the highest price. A consignment of Hood river Newton Pippins sold for 225 6d per box, equivalent to \$5.43. While 1,000 boxes of Newton Pippins sent to Edinburg, Scotland, brought 20s per box, equivalent to \$4.83. Oregon apples occupy the first place in the European market.

COOS COUNTY SELECTS SITE

Enterprising Oregon County Will Erect Unique Building at Lewis and Clark Exposition.

Coos County, Oregon, which announced some time ago that it would erect a separate pavilion at the Lewis and Clark Exposition, has made good its announcement by selecting a site for the structure. The pavilion will stand a short distance from the Colonnade Entrance, a little to the west of the Administration Building.

Coos County's Building will be 50 x 60 feet in size, and will be constructed entirely of Coos county materials. Coos county workmen will perform the labor, and a Coos county man will oversee the job.

Coos county timber resources will be exploited in a most practical way in the construction of the building, which will be finished in natural woods inside and out. For the interior the decorations will be in panel work, the different valuable woods being used to advantage in this way. Among the woods so used will be the myrtle, maple, elder white and yellow fir, white cedar, Port Orford cedar, red cedar and oak. The block myrtle of Coos county, the country's most famous wood, is worth \$500 per thousand feet, B. M.

Construction work on the building will be begun in a few days and the building will be completed and fitted with exhibits several weeks before the opening day. The building will cost about \$10,000.

BY THE TONIC ROUTE.

The pills that act as a tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Billiousness, etc. Early Risers are small, easy to take and easy to act—a safe pill. Mack Hamilton, hotel clerk at Valley City, N. D., says: "Two bottles cured me of chronic constipation." Sold by The Modern Pharmacy.

The Original

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. For sale by Benson's Pharmacy.

WHEN YOU CATCH COLD

Do not take chances on it wearing away or experiment with some unknown preparation which may leave the bronchial tubes and lungs weakened and susceptible to attack from the germs of Pneumonia or Consumption.

FOLEY'S HONEY AND TAR

not only stops the cough but heals and strengthens the lungs and prevents serious results from a cold. Contains no opiates.

It Saved His Life After the Doctor Said He Had Consumption.

W. R. Davis, Vissalia, California, writes: "There is no doubt but what Foley's Honey and Tar saved my life. I had an awful cough on my lungs and the doctor told me I had consumption. I commenced taking Foley's Honey and Tar and found relief from the first and three bottles cured me completely."

Three sizes—25c, 50c and \$1.00. The 50-cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much. Refuse Substitutes.

A Policeman's Testimony.

J. N. Patterson, night policeman, of Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least a half-dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world."
