Originality is nothing but judicious imitation. The most original writers borrowed from one another. The instruction we find in books is like fire. We fetch it from our neighbor's, kindle it at home, communicate it to others, and it becomes the property of all. -- Voltaire

Room for the whole crowd in Ford's new 9-passenger Country Sedan

Tall people, short people, people of every size and description, kids, assorted dogs and baggage . . . Ford's 5 new glamour wagons love them all. In big quantities. They're built that way.

And speaking of build . . . all 5 of Ford's new wagons are built around a new Inner Ford . . . a new "inner car" that rides solid, silent, and more comfortably . . . the same "inner car" that enabled Ford to smash 458 national and international endurance records at Bonneville!

Power? There's plenty of that, too. A new Mileage Maker Six or one of the V-8 engines* with a variety of horsepower to suit every need. All of these great engines bring you Ford's traditional economy.

Test one of America's favorite "space ships" today. It'll be on for it . . . and we think the feeling will be mutual!

*Including a Thunderbird 312 Super-charged V-8 that delivers 300 hp and a 270-hp Thunderbird 312 Super V-8
