**PORT ORFORD, OREGON.**

We are pleased to have an acknowledgment by all who have visited Port Orford of late that we now have in stock the largest and most complete assortment of goods that has ever been in Curry County, and that our low prices are a very pleasant surprise.

We have just received another large lot of goods, and to those buying in wholesale lots we will offer Special Inducements. We have said that we would compete with San Francisco, Sacramento or Portland in prices and quality. We now state that we will sell goods cheaper at Port Orford than YOU can lay them down here from either of the above places.

**THE SECRET OF HOW WE DO IT:**

While you buy One Thousand Dollars' worth, we buy Three Hundred Thousand Dollars' worth.

While you buy through agents or wholesale houses, paying regular country rates, we import our goods direct, or buy from the factories that produce them, saving the commissions and and percentage that other wholesale dealers make.
