It behoves us all to vote for Hoover.

Tammany or DAMany, it's just the same.

Now is the opportune time to boost our newly improved Hubbard Mineral Springs. Good constructive work for all of our clubs. Outsiders realize the great possibilities. Let us not sit "in the market place idle."

"The more we meet together, the happier are we." This was thoroughly exemplified at the Clackamas-Marion joint meeting in Hubbard last week. We need such gatherings. We need the other fellow's viewpoint to carry us along. These meetings furnish the best cure in the world for the grouch or pessimist and help to stimulate the optimist as well.

As per suggestion. Would it not be a good idea for the Salem Chamber of Commerce to visit some of the surrounding towns and get acquainted? True, we see at every community gathering the old reliable Salem boosters, C. E. Wilson, Henry Crawford and Senator Reynolds, but why not the whole "blooming army" of you. Bring your fine Cherrian band along as we did our dandy one when we visited Salem, and shake hands with some of this splendid talent which entertained you last winter in the Cherry City. Only a suggestion, mind you, but at times suggestions are good things for all of us. And then again you are dependent in no small measure on the small towns.

### ENJOYED PROGRAM

Dr. P. O. Riley,  
Hubbard, Oregon.  
Dear Dr. Riley:

I want to tell you that I enjoyed the program at Playmore Park last night very much. It was interesting from start to finish.

I think the work of the County Federation is very important because it brings together such a fine group of people. It is worthwhile for the fellowship alone and then too it develops friendship and cooperation that will be beneficial to our whole Willamette valley. This cooperation I can see would help to bring about better business conditions, it ought to help raise the Educational Standards and the Spiritual Standards, too, because no one could listen to a talk like Mr. Irvine's and go away without being better for it.

I can see how it would help the conditions of the boys and girls for, to my mind, they are of tremendous importance and while the Willamette valley boasts of its wonderful crops of fruit and agricultural products the greatest crop is its boys and girls that are growing into young manhood and young womanhood and after all it isn't of a great profit to a community to have material prosperity without strengthening the character of its youth.

I am very much interested in the things you are doing and if at any time I can assist you in any way I will be happy to do so.

Very sincerely yours,  
C. A. KELLS.

(Editor's Note:—Mr. Kells is doing wonderful work in Salem and we congratulate him. We shall avail ourselves of his most gracious offer to help us.)

### WONDERFUL CAKES RECEIVED

The following good hearted ladies made the big crowd happy with some of the best cakes in the world. Here they are and we salute them most graciously and gratefully:

Mrs. George Knight, Mrs. Herman Carl, Mrs. George Leffler, Mrs. Clara Reichel, Mrs. George Grimps, Mrs. Vera Boje, Mrs. Ethel Riley, Mrs. Christina Stauffer, Mrs. H. E. Adams, Mrs. George Zeck, Mrs. John Moore, Mrs. Alice Weaver, Mrs. Ed Wolfer, Mrs. Jerome Jackson, Mrs. Ben Rector, Mrs. M. Kromling and Mrs. Hal Hoss.

We consider this a personal favor and shall never forget it. We trust we have not omitted anyone, but, if such is the case we want to know it so the names or name may appear in our next issue. We want to thank everyone who helped us in anyway and assure them of our sincere appreciation.

### MATTSON'S HOME MADE

Everybody who tasted Mattson's home made ice cream pronounced it wonderful. Mr. Mattson donated 5 gallons and they went in a "jiffy." His plant is between Woodburn and Hubbard and we suggest that you stop there and take home some of the best ice cream ever made. We are deeply grateful to Mr. Mattson for his splendid donation.

### JUST A WORD GEORGE KNIGHT

You sent up some peaches from Southern Oregon (at least you said they were peaches) but you are mistaken old friend. The color, the taste, the shape may be; but the size, ye gods! they were as big as cantaloupes. And when your dandy daughter, Anna, brought some in to us we just sat back in our \$465 mahogany and gasped. The best we have ever seen and brought in by one of the best girls in Oregon. Thanks Anna.

### CLACKAMAS GETS ALL HONORS

Clackamas county won practically all the events at the joint meeting at Playmore Park last Friday. Besides, that progressive county also topped in attendance. It was a big day all around and thoroughly enjoyed. Mrs. Edith Hazen of Milwaukee won the essay contest on "Community Spirit." Ed Koen, of the Banner-Courier, appeared in his new model 1929 bathing costume and grabbed the Ziegfeld Follies prize. Bravo! Ed.

### HERE'S HOW PERCY

A busy business man but never too busy to work and "boost" for his city and county is Percy Caufield of Oregon City, who aided so much in making the joint meeting of the clubs August 17 such a success. A few more of his type in every community would be "a consummation devoutly to be wished." What a team that old community warriors of ours, Jerome Jackson, and Percy would make. May both of you live long to "boost."

### SON OF PROSPERITY FOR AURORA COUPLE

Mr. and Mrs. L. B. Yorgen of Aurora received a delightful present from the stork when a fine 9-pound boy arrived at the Anna hospital August 17. May this Son of Prosperity always shine in Aurora is the wish of The Enterprise.
