### WHATEVER HAPPENED IS HERE

#### Opp Mine Clean-up.

There was shipped from the Opp mine this week a 30,000 lb. car of concentrates to a smelting company in San Francisco, and a gold brick weighing 111 ounces and worth over \$1600. The concentrates will run \$45.00 which makes the total clean-up at the mill about \$2800. which isn't so bad when we take into consideration the fact that these shipments are made every few weeks. The owners of the Opp are not making much noise but are constantly sawing wood.

#### ABOUT RHEUMATISM.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by City Drug Store.

Lester & Schulz have just received a shipment of "Schilling's Best" baking powder which is said to be the best on the market. Try it.

#### A DAREDEVIL RIDE.

often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot, from an accident," writes Theodore Schuele, of Calumbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothes and heals burns like magic. 25c at City Drug Store.
