Making Friends

We are making new friends every day and our old friends are standing by us. Our policy and style of doing business is bound to win, because we treat every good soul who honors by a visit with the utmost courtesy and exert ourselves to give a little better value for a little less money than one can get elsewhere.

Our Thanksgiving Sale of Linens

For several weeks we have planned to make this sale the most interesting of the season—to make it an event that our patrons will not soon forget—to make it a season of value giving that will make our stores more popular than ever.

Axle Grease Good Axle Grease

We have worked up quite a business on Dixon's Graphite Axle Grease. It's good stuff. As long as there is a particle of the graphite on a spindle it is slippery. In fact it contains just enough grease to give it body to hold together. Try a box, and you will use it always.

Then there's Deorhake's Castor Oil Grease, one of the best of its kind that was ever put up. Remember a poor grease works up into a stiff tar, and makes your wagon pull as heavy again as it should. Get good grease.

And busey whips and robes. We have plenty of both, and can save you money—we think—on prices. We'll let you decide that.

Thanksgiving at Chemawa.

The day will be observed at the Salem Indian training school with the usual feast and a literary and musical programs in the forenoon. In the afternoon there will be an exodus to see football games in all direction, for, next to baseball, the Indian boy loves to play football, and generally puts up a game that reminds one of any thing but a feather pillow fight.
